Dear Jerry,

The San Diego Foundation is proud to give unqualified support to the bid of the Gay Games San Diego 2026 Task Force.

As you know, San Diego is an ideal location to host this event as our community has a long history of success in hosting major international events and has many attractions that appeal to a wide range of residents and visitors. Our region is one that truly embraces diversity and has an expansive and vibrant multicultural community.

The San Diego Foundation supports LGBTQ+ issues and organizations that make a major impact on advancing equality for all members of the community.
